A note from Principal Wheeler

November is here, and with it comes a whirlwind of gratitude, reflection, and a sprinkle of cool weather! Thank you for all the families that participated in our breakfast and a book last month, we served around 298 breakfasts! And our fall festival was a huge success! We are grateful for all of you! We have a lot to celebrate this month, with the release of the school letter grade, Beaver Creek is a B school! We also want to honor our Veterans who have served and thank you for your sacrifice!

Thanksgiving is just around the corner—time to gather, feast, and maybe even loosen those belts a notch! We're also preparing our annual Holiday Assistance initiative to help families in need during this season of giving. The application is included here and is due back November 14! So get them in to the office so we can pass them on to our wonderful community partners!

Thank you for your constant support of your children and our staff.
We are grateful for all our wonderful families!

Beaver Creek School works in partnership with community organizations, local residents and businesses to help our families in need have a happy holiday season. Our community organizations work closely to coordinate the needs of families requesting assistance. If you are in need of assistance for the purchase of Christmas gifts and food, fill out the attached form with  all of the required information.

Please have the form back to the school no later than Wednesday, November 14, 2024.

Please remember if a student is absent from school, he or she may not attend any after school extracurricular activity on that day. This includes athletic events, practices and/or dances.

Reminder: Students on campus during a sanctioned activity must be supervised. All registered students of Beaver Creek School must leave campus via parent-approved transportation. Staying on school grounds after-school is not allowed because it is the school's responsibility to make sure students get home safely. If a child returns to the ball field or playground after school hours, it is not a school sanctioned activity and there will be no supervision. The public restrooms will also be closed.

When students return for after-school extracurricular activities, parents need to be aware that the public accessed playground (school grounds) and ball fields are unsupervised. If the student is on the school campus, he or she will be expected to stay in the gym or designated area of activity. If not in compliance, students will be subject to disciplinary action.

These students are NOT supervised and this does not follow school procedures. Only the ball field and playground outside the fenced area are open to the public. Any student found wandering around campus will be subject to disciplinary action. Any student not leaving campus as per directive from parent on where to transport will be subject to disciplinary action.
